## Achieving Academic Excellence Through Our Programs

Kingsbridge University offers 1,100 accredited programs in 16 fields of study. All of these departments designed and developed according to the modern trends and needs of the current and future economies. Such a diversified academic profile of Kingsbridge allows students to pursue their education in the field they desire.

## Industry Leaders as Faculty Members

Kingsbridge University has some of the world's best faculty members on its panel. These faculty members are working professionals who have extensive knowledge of their respective fields. All of our faculty members are dedicated teachers with passion to instill the knowledge they have learned through their experience. Their excellent academic and professional background allows them to conduct stimulating and productive online sessions. They will be your perfect guide and will take you to your success, both in the classroom and in your career.

**84%** of Faculty holds PhD in their respective fields.

“In online classes I’m able to explore a new style of teaching which is much more challenging than teaching in a regular class. Online students responds better to challenges and are more willing to work independently.”

**Dr. James Laurel, associate professor,  
Department of Psychology**

**Angelina Shari, assistant professor,  
Department of Social Sciences**

“Teaching in the Doctorate Program at Kingsbridge University is a perfect opportunity to create a custom class, one that students would not get anywhere else. It’s an amazing experience, and to me that’s priceless.”

**Sicilia Jacob, senior professor,  
Department of Natural Sciences**

**Dr. Denial Kale, associate professor,  
Department of Applied Arts**

**Sarah Paul, senior professor,  
Department of Business &  
Management**

## Affiliate Universities & Institutes

Kingsbridge University is always making efforts to spread online education all across the globe. One such effort also includes forming strategic alliances and partnerships with renowned and reputable educational institutes and universities in the world. The affiliated institutes can now offer online courses to their students through the virtual classrooms of Kingsbridge. This feature has proved to be highly beneficial for students that are unable to pursue their campus-based classes because of work or personal commitments. They can now access Kingsbridge's classrooms anytime of the day and complete their education according to their own time and pace. Kingsbridge University's high approval rating among partner educational institutes worldwide is another sign of the confidence and trust the global education industry has on us.

## Corporate Alliances

To facilitate the university's internship and placement programs, Kingsbridge has partnered with the world's top employers. This program has helped students acquire internships and lucrative jobs at renowned organizations.

## Kingsbridge Scholarship Program

In collaboration with Working Adults Learning Association (WALA), Kingsbridge University offers financial scholarship to its students. This scholarship is awarded on need and/or merit basis. Students who qualify for the Kingsbridge Scholarship Program can complete their academic program in as low as \$1699.

If you want to study from the one the best online universities globally without being burdened by the financial aspects, you may apply for this scholarship. Those considered eligible for the scholarship include veterans, military officials, job seekers, home school students and working adults.

If you qualify for the scholarship, you will be notified in your program overview and also through email. Your scholarship amount will also be communicated to you in your personalised student's area.

### How you can apply?

1. You can express their interest in scholarship when you apply
2. Specify the category for which you qualify. For example, if you are a working adult, select that option when asked.
3. Complete your admission formalities.

“Kingsbridge University supports students success, access to education, appropriate use of technology, development of illiteracies, communication and exchange of ideas across disciplines and location, exploration and application of new thought and pursuit of lifelong learning.”

**Alex Sendra Alumni,  
Kingsbridge University Psychology**

## Prior Learning Credits

Kingsbridge University gives you the opportunity of turning your life experience into college credits through our Prior Learning Assessment process. Professional training, such as seminars and courses provided by employers may be eligible for PLA. Licenses, certificates and transcripts from colleges and institutions may also be eligible.

## Fee Reduction Methods

In addition to a scholarship, Kingsbridge University has introduced many ways through which a student can get a substantial reduction both in his program fees and time needed to complete the education.

### Credit Transfer

Kingsbridge University offers the facility of transferring credits to students so that they can continue their education with flexibility and complete their degree in time. All you need to do is submit your transcript mentioning the number of courses with course titles which you have studied and you wish to transfer. We will accept the credit hours of those courses and reduce the equivalent from your program.

### Employer Tuition Reimbursement

Your employer has the option of paying your tuition fee directly and he can ask you to make the initial payment, reimbursing you at the end of the semester, each course or after you have received your grades. Also, your employer may agree to bear your additional expenses such as cost of your supplies and equipment. In any case scenario, if your employer decides to help you with your tuition fees then we can prepare your case for this benefit through our consultant.

# Fee Payment Options

To help you pursue your degree with ease, Kingsbridge University has introduced two fee payments options. Using these options, you can pay your program fees according to your budget.

## Complete Fee Payment Option:

To minimize your financial burden you can benefit from our complete fee payment option. If you pay the fees for your program at once, you will get a discount of up to 14.5%.

## Fee Payment in 2 Installments:

You can choose to pay your full fee in 2 easy installments. Using this option will entitle you to a 7% discount on your full program fee.

A smiling woman with blonde hair tied back, wearing a black blazer over a white button-down shirt. She is holding a silver pen in her right hand and a blue clipboard in her left hand. The background is a blurred blue sky with white clouds.

## Career Placement Services

Kingsbridge University started its career placement services with the aim of providing our students and graduates with lucrative career opportunities. This aim was achieved by partnering with renowned multinationals and organizations globally. These organizations provide our students with reputable and well-paid jobs. Many of our students are currently working with our partner employers at managerial positions. Additionally, we also offer career advisory services to students wishing to learn interview tips or ways enhance further in their future.

## Credit Transfer

If you have already studied some of the courses, we are willing to transfer their credits to your current program and reduce the equivalent from your program. Our transfer credit facility has helped hundreds of students finish their program much before than they expected. Also, since you won't be studying those courses again you won't have to pay for them either, thus the overall cost of your program will also reduce.

## Prior Learning

You can also get credits based on your prior work and life experience. If you have earned any experience through trainings, job or workshop which you believe comprehends with your courses then you can apply for credit transfer. Our prior learning assessment team after analyzing your past experience will transfer your credits accordingly, reducing both time and money required to earn your degree.

Yes, you can earn your college degree!
